Notice of Public Information Centre **Third Avenue Reconstruction**

Date: February 24, 2025	Time: 6:00pm – 8:00pm	Location: Royal Canadian Legion 48 Sixth Ave, Hornepayne, ON P0M 1Z0
-----------------------------------	---------------------------------	--

North Rock Engineering Inc. and **The Township of Hornepayne** will be hosting a Public Information Centre regarding the Third Avenue reconstruction project. The Public Information Centre will provide an update regarding the engineering design for Third Avenue and will provide an opportunity for residents to share feedback or ask questions about the project.

North Rock Engineering was retained by The Township of Hornepayne for the design and construction administration services for the reconstruction of Third Avenue. The subject section of Third Avenue, spanning Old Land and Forest Road to Front Street, has been identified for reconstruction due to the age of the existing infrastructure.

The goal of this Public Information Centre is for all affected parties to have a clear understanding of the intent for infrastructure improvements, as well as an opportunity to provide stakeholders, agencies, and members of the public to meet with Engineers and City staff and discuss topics related to the matter.

North Rock Engineering and The Township of Hornepayne look forward to your attendance and your feedback,

Sincerely,
